Saint Luke Men's Forum (SLMF) is a "not for profit" Christian religious organisation formed in March 2009, officially launched on Sunday 6 September 2009.

It's about "Men Working for God and His Kingdom" (Ephesians Chapter 4:1-17)

Mission and Objectives:

To promote and advance Christian ministry; including social and spiritual development of our members.

We provide both in-kind and financial support to each other during bereavements and special occasions through donations and special collections as our brothers' keepers.
