

## MOTHERS UNION REPORT TO ST. LUKES' APCM 29<sup>th</sup> APRIL 2018

This is the 12th year of Mothers Union here at St. Lukes' church Peckham. As always all the members are committed towards working to the good of the church.

Members are visible in all areas of activities within the church. Such as leading the children in Sunday school, Intercessions, cleaning of the church, Deacon duties, arranging of flower displays in **the church and in some occasions providing the flowers. These are some of the roles members are** involved with. Visits are also carried out when member are ill and unable to attend church, this could be by home visit or by telephone. Mothers Union is a Christian charity organisation and very focused on family life. Therefore, members here support families that are none members within the church and parish.

### **Our aims and objectives are**

To support the families who worship here at St Lukes and the wider community and where we are not able to do so we will seek advice from other organisations who have the expertise in the matter at hand.

To support the church in any way we could within our capability. In 2017, we were able to support the parish office with administrative duties. We also aim to support our Priest In charge, Senior curate and the Non- stipend curate as they work hard for the good of the church.

We are also very pleased to know that the Senior Curate is a Mothers Union member and privilege to have her amongst us.

We hope that 2018 will be a more fruitful as we would wish to do more fundraising and community involvements within the parish. 2017 was quiet as these activities was not really undertaken. We pray that we will try our possible best to create time and the energy to help others.

We wish to thank friends of Mothers Union and the congregation for their support over the past year and of course all the Priests for without them we will not have the Mothers Union branch at St. Luke's.

We pray for Love and continuous growth in our church.

God, bless us all.
